This section is designed to help ASPP members understand more about the society sustaining members. Each issue features different sustaining members and a complete list is provided above.

Debaine Freres SAL is a leading company dedicated to the Lebanese farmer. It was first established in 1952 in Saida and then expanded to eight branches all over Lebanon. Headquarters are now in Zouk with show rooms in Tripoli, Khaldeh, Saida, Zahraa, Tyr, Chachraa and Zouk. The company is specialized in all aspects of agricultural business in both Lebanese and Syrian markets. The company has eight departments, the most important ones are: Research and development, Dept. Seeds Dept., Greenhouses, Irrigation and equipment Dept. and marketing department. The company is considered the exclusive agent for over 20 years for a large number of international companies such as Dupont De Nemours, Dow Elanco SA, AgrEvo, Cynamid Overseas Corporation, Sipcam SPa, Uniroyal Chemical Ltd, Levington, Elf Atochem SA, Angibaud, Filsclair SA, Alexis, T-Systems Europe SA, De Ruiter Seeds CV, Nickerson Zwan BV, Rosen and Ferry Morse Seed Company. More recently, the company started publishing the Agriculture magazine Agrotica, which is widely distributed in the region and well received by the Agricultural community.

Suleiman Agricultural Establishment was founded in 1969 by Suleiman Mahmoud Suleiman in Latatika, Syria. The company has three branches in Latatika, Jable and Tartous and provides farmers with seeds, spraying equipment, pesticides, plastic sheets and other materials for plastic houses, fertilizers and organic planting material. It provides products of well-known international companies such as Royal Sluis, Nitrite Salis International and Nitrochim.

Taha and Qashou Company was established in 1983 by Rafat Khalil Qashou and Mohamed Abdel Aziz Taha. The company has three branches on Jordan which provides farmers with different agricultural materials and garden supplies. The company promotes high quality products and is the agent of well-known international companies. The company has a staff of 13 qualified agricultural engineers.
